

CONNOQUENESSING BOROUGH MINUTES JUNE 1, 2010

The public meeting of the Council of Connoquenessing Borough was called to order at 7:30 pm at the Connoquenessing Borough Building.

Council members present were Lloyd Leslie, Ronald Kaufman, Francis Smith, and Donald Clingensmith.

Also present were Dave Bocci, Harry Cole, and Vickie Forbes.

Sewage Plant Update:

Dave Bocci reported to Council that a West Nile/mosquito inspection was scheduled for Thursday at 2:30. The Plant is operating under normal conditions.

Clingensmith motioned, Smith seconded, to accept the minutes from the May 4, 2010, meeting. Motion passed.

Clingensmith questioned the "Due from Motor License Fund" account on the February Treasurer's Report. The Secretary/Treasurer explained that checks are written for snow removal costs from the General Fund even though part of snow removal expense is budgeted in the Liquid Fuels Fund. The amount of \$13,321.93 was the amount budgeted in the Liquid Fuels Tax Fund for snow removal. Until the Borough receives these monies from the State and is reimbursed by the Liquid Fuels Fund, that amount is recorded in the General Fund as "Due from Motor License Fund" as an asset in that fund.

Leslie inquired about the income in the Capital Improvement Fund. The income is from interest from maturing CD's at rates of 2-4%. CD's are currently being reinvested at 1% or less.

Clingensmith questioned the \$20,000 in the "Due to Capital Improvement Fund" account in the General Fund. The General Fund was forced to borrow money in 2009 and 2010 from the Capital Improvement Fund to meet expenses until tax revenues are received. In 2009 the funds were paid back to the Capital Improvement Fund and in 2010 the payback should occur in June.

Clingensmith motioned, Kaufman seconded, to accept the April, 2010, Treasurer's Report as submitted. Motion passed.

Smith motioned, Clingensmith seconded, to accept the bills as submitted. Motion passed.
