Municipal Officials Training Opportunity

IS-0700.A: National Incident Management System, An Introduction

Connoquenessing Borough Emergency Management is holding an evening training & information session on the National Incident Management System (NIMS) for our neighboring municipalities. This session is open to municipal leaders, staff, public works and emergency response organization personnel. The borough is offering this event to provide our municipal neighbors with an opportunity to both learn about NIMS and answer your questions about your responsibility to complete minimum training to maintain eligibility for federal and state funding along with disaster assistance programs. The evening will also provide you with an opportunity to network with your peers in the area.

The program will follow the Federal Emergency Management Agency (FEMA) NIMS introduction course (condensed for time) using instruction material obtained from FEMA's Emergency Management Institute and is expected to last about three hours. At the end of the session, you will leave with the information you need to complete FEMA's IS-700.a online assessment and obtain your certificate of completion, along with both electronic and paper materials to support you.

DATE & LOCATION: FEBRUARY 23rd, 2017 – 6:30pm
Connoquenessing Volunteer Fire Company
180 Main Street
Connoquenessing, PA 16027

RSVP BY February 15th 2017: Organization Name & Number Attending to:
